

eChart 2022

- ✓ eChart 2022 will support modern browsers. Below are the supported browsers that will replace Internet Explorer:

Operating System	Browser
Windows OS Win 8.1 or 10	Google Chrome or Microsoft Edge (Chromium based)
macOS	Safari

- ✓ Adjustable screen sizing - increase the size of your eChart window to take advantage of the full screen real estate. This improvement will make it easier to read the information.

Stay tuned for monthly eChart 2022 updates!
