

Launching eChart

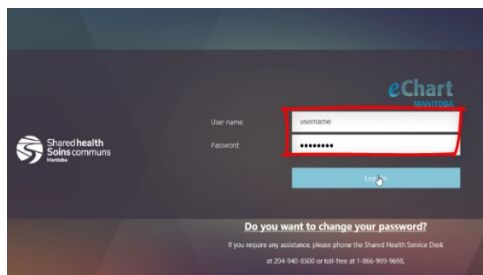

Launching eChart

eChart can be accessed using one of the three following methods:

- Typing the following URL into Internet Explorer browser echart.manitoba-ehealth.ca
- Launching eChart from a Manitoba certified Electronic Medical Record (EMR)
- Launching eChart from the eChart tab in the Provincial Electronic Patient Record (EPR)

Logging into eChart through the web browser

You will be given a username and a temporary password by your Authorized Sponsor, Authorized Account Requester or trainer, and must change your password when you log in for the first time

1. To begin, enter the username and temporary password
2. Select the Log On button
3. eChart will prompt you to change your password

eChart password standards and tips

Include at least: 1 upper case letter, 1 lower case letter, and 1 number.

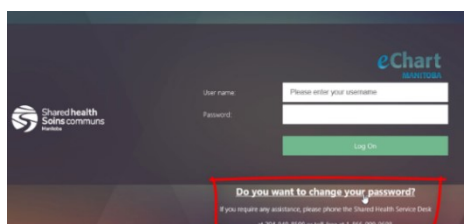

Your password must be at least 8 characters and cannot include special characters (e.g. !, #, @, etcetera).

A new password cannot be any of your last 5 passwords or include parts of your name.

- Create a password that is easy to remember for example, a phrase such as 'I love cats'
- Remove spaces, substitute the L for a one (1), o for a zero (0) etcetera

Changing your password

For security purposes, you are required to change your password every ninety (90 days)

You can change your password sooner if you choose by selecting the Do you want to change your password link on the log in screen.
